Curtin University – Department of Computing

Assignment Cover Sheet / Declaration of Originality

Complete this form if/as directed by your unit coordinator, lecturer or the assignment specification.

Last name:		Student ID:	
Other name(s):			
Unit name:	Fundamentals of Programming	Unit ID:	
Lecturer / unit coordinator:	Valerie Maxville		
Assessment:	Final Assessment		

I declare that:

• The above information is complete and accurate.

• The work I am submitting is *entirely my own*, except where clearly indicated otherwise and correctly referenced.

• I have taken (and will continue to take) all reasonable steps to ensure my work is *not accessible* to any other students who may gain unfair advantage from it.

• I have *not previously submitted* this work for any other unit, whether at Curtin University or elsewhere, or for prior attempts at this unit, except where clearly indicated otherwise.

I understand that:

• Plagiarism and collusion are dishonest, and unfair to all other students.

• Detection of plagiarism and collusion may be done manually or by using tools (such as Turnitin).

• If I plagiarise or collude, I risk failing the unit with a grade of ANN ("Result Annulled due to Academic Misconduct"), which will remain permanently on my academic record. I also risk termination from my course and other penalties.

• Even with correct referencing, my submission will only be marked according to what I have done myself, specifically for this assessment. I cannot re-use the work of others, or my own previously submitted work, in order to fulfil the assessment requirements.

• It is my responsibility to ensure that my submission is complete, correct and not corrupted.
